Boxing Equipments
Manufacturer & Supplier

[Explore Product](#)

We have 20 years experience in the field of manufacturing Boxing, MMA Equipment and Martial Arts Uniforms. The manufacturing process is carried out under one roof by very well trained and expert artisans.

Maximum emphasis is placed on quality control and timely deliveries.

Most attractive aspect of our business is competitive prices. We maintain constant and incessant vigil over stocks, inventories, material under production and over heads. This helps in keeping cost of products at minimum level. The benefits of low cost, we believe in sharing with our customers.

That is why we have most satisfied and successful wholesalers the world over. Consequently we sell more at lower prices.

Mission Statement

NEXT SPORTS seeks to become the leading ethical manufacturers of Boxing Equipment and Martial Art Uniforms in the country servicing an expanding base of satisfied, international clients.

VISION

Ensure high-quality, cost efficiency and timely delivery, through professional structures and innovative business processes, to extend its role as a model of corporate responsibility,”

Our Quality Policy

- I Maintain optimal production process.
- II. Execution of well-defend job orders.
- III. Monitoring of technical specification at each stage.
- IV. Quality execution to the customer's satisfaction.
- V. Establish traceability and accountability process.
- VI. Harboring innovation according to changing scenarios.
- VII. Research and development to assist production proficiency.
- VIII. Breed employee motivation attitude with freedom of expression.
- IX. Maintain safe and health working atmosphere.
